

Index of Issues: January, pp. 1-80; February, pp. 81-152; March, pp. 153-222; April, pp. 223-278; May, pp. 279-346; June, pp. 347-434; July, pp. 435-506; August, pp. 507-578; September, pp. 579-642; October, pp. 643-694; November, pp. 695-762; December, pp. 763-858.

A

- Abdomen, radiology of
seminar on (announcement), 623, 678, 729
- Abdominal excision
of rectum, simplified draping of patients in lithotomy-Trendelenburg position for (technical notes), 204
- Abdominoperineal excision
of rectum, use of Lloyd-Davis stirrups in (technical notes), 627
- Abscess(es)
anorectal, and fistulas, 593
colonic, complications, indium-111 oxine-labeled autologous leukocyte scans in management of, 223
hemorrhage in, neurologic sequelae following transcatheter embolization to control, 190
perianal, due to *Enterobius vermicularis*, 677
recurrent, following anorectal suppuration, 126
- Abstracts, 150, 344, 504, 564
- Acetylcholinesterase, in Hirschsprung's disease, 319
- ACPS system, of colorectal cancer staging, and Dukes' system, compared, 707
- Acquired immunodeficiency syndrome, and intraepithelial carcinoma in homosexual men, 325
- ACS-ACP, effort of, to develop alternative physician reimbursement system (announcement), 614
- Adenocarcinoma(s)
of cecum, presenting as lower extremity gas gangrene, 131
colorectal, endobronchial metastasis from, 745
in situ, and cystic lymphangioma of colon, 679
intussusception of appendix in, 387
of large bowel, following ureterocystostomy, 321
and primary malignant lymphoma, of large intestine in IgA-deficient boy, 822
rectal
primary inoperable, radiotherapy and resection for, 663
significance of DNA distribution pattern in, 579
- Adenoma(s)
colorectal, histopathologic comparison of, in English and Japanese patients, 515
in cystic lymphangioma of colon, 679
- Adenomatosis coli
hereditary
manibular osteomas and, 105
manual Danish register of, 351
risk of rectal cancer after colectomy and ileorectal anastomosis in, 726
- Adhesions, obstruction of colon in, 314
- Adjuvant chemotherapy, for colon cancer, 495
- Adjuvant therapy, radiation, for rectal adenocarcinoma (current status), 826
- Advances in Gastroenterology, fourth annual (announcement), 266
- Adverse Reactions to Foods, Anderson, J.A. and Sogn, D.D., eds. (announcement), 700
- AIDS, and intraepithelial carcinoma, in homosexual men, 325
- Alcohol sponge, polyvinyl, in Ivalon rectopexy, management of pelvic sepsis after, 589
- Altemeier's procedure, in rectal procidentia in elderly and debilitated patients, 376
- American College of Gastroenterology (announcement), 588, 653
- American College of Physicians (announcement), 644
- American Gastroenterological Association, postgraduate course (announcement), 256
- American Society of Colon and Rectal Surgeons, 83rd annual convention (announcement), 227
- American Society for Gastrointestinal Endoscopy
Academic GI Program, directors workshop (announcement), 41, 122
postgraduate course (announcement), 256, 657, 719
- Ampicillin, intracisiorial instillation of, in laparotomy wounds, 172
- Anal canal, squamous cell cancer of, combined therapy for, 763
- Anal eroticism, 331
- Anal incontinence, relaxation biofeedback conditioning as treatment of, 187
- Analgesics, epidural morphine as, post-hemorrhoidectomy, 529
- Anastomosis(es)
between sigmoid and rectum, method of (classic article), 559
circulation
and healing process in colon, 767
and healing process in high and low anterior resection of rectum, 772
colonic
carcinogenesis at, 468
healing process of, 767
healing process of, in high and low anterior resection, 772
prostaglandins in healing of, 723
colorectal, and ureteric damage in surgery, 293
continuous, single-layer polypropylene colorectal, 19
gastrointestinal
device to facilitate "double stapling technique" in (technical notes), 684
EEA, defective, repair of (technical notes), 490
ileal and colonic, effects of infection on, 462
ileal rectal, 382
ileorectal, colectomy and, in polyposis coli, risk of rectal cancer after, 726
ileoanal
endorectal ileal pouch in, 347
superior mesenteric artery and, 741
transmucosal myotomy of small bowel after, 316
intestinal, experimental basis of (current status), 61
leak, transrectal drainage of, following low colonic anastomosis, 492
low anterior dehiscence of, following preoperative irradiation, 176
pouch pull-through procedure, superior mesenteric artery in, 741
rectal, low, leakage of, 157
(author replies to letter), 760
(letter to editor), 759
single-layer polypropylene colorectal, 19
stapled circular, single- and double-row, healing of, 714
- Anastomosis, technique, single-layer polypropylene colorectal, 19
- Anastomosis(es), and wound healing in intestinal wall, 99
- Anastomotic dehiscence, and intracolonic bypass, 360
- Angiodysplasias, and aortic valve, colonic axis, 38
- Angiography
in leakage of low rectal anastomosis, 157
in colonic carcinoma, 648
- Announcement(s) 15, 32, 37, 41, 46, 52, 59, 88, 119, 122, 125, 133, 136, 156, 167, 175, 186, 189, 198, 227, 234, 237, 243, 248, 252, 256, 259, 266, 271, 287, 292, 295, 304, 308, 313, 315, 318, 324, 330, 350, 355, 365, 381, 386, 392, 398, 414, 417, 450, 453, 458, 461, 467, 474, 478, 484, 494, 497, 512, 522, 525, 530, 537, 541, 547, 551, 584, 588, 590, 592, 597, 607, 612, 614, 623, 644, 647, 653, 657, 676, 678, 700, 719, 722, 729, 732
- Anoplasty
foreskin, in imperforate anus, 309
V-Y, in chronic anal fissure, 475

Index of Issues: January, pp. 1-80; February, pp. 81-152; March, pp. 153-222; April, pp. 223-278; May, pp. 279-346; June, pp. 347-434; July, pp. 435-506; August, pp. 507-578; September, pp. 579-642; October, pp. 643-694; November, pp. 695-762; December, pp. 763-858.

in leakage of low rectal anastomosis, 157
in colonic carcinoma, 648
- Announcement(s) 15, 32, 37, 41, 46, 52, 59, 88, 119, 122, 125, 133, 136, 156, 167, 175, 186, 189, 198, 227, 234, 237, 243, 248, 252, 256, 259, 266, 271, 287, 292, 295, 304, 308, 313, 315, 318, 324, 330, 350, 355, 365, 381, 386, 392, 398, 414, 417, 450, 453, 458, 461, 467, 474, 478, 484, 494, 497, 512, 522, 525, 530, 537, 541, 547, 551, 584, 588, 590, 592, 597, 607, 612, 614, 623, 644, 647, 653, 657, 676, 678, 700, 719, 722, 729, 732
- Anoplasty
foreskin, in imperforate anus, 309
V-Y, in chronic anal fissure, 475

Anorectum

- anomalies of, foreskin anoplasty in, 309
- biomedical research, National Institutes of Health Grant for, 333
- incontinence of, failed repair in, electrophysiologic and manometric assessment of, 733
- manometry of, and induction of rectoanal reflex by electric stimulation, 598
- motility in, after surgery for spina bifida, 159
- pain in, defecography in diagnosis of, 658
- penetrating injury of, 624

Anterior resection

- by stapling, simplified draping of patients in lithotomy-Trendelenburg position for (technical notes), 204
- high and low, of rectum, healing process in, 772
- low, and repair of defective EEA anastomosis (technical notes), 490
- low, techniques of enlarging bowel lumen in (technical notes), 630
- low, transectal drainage of anastomotic leaks following, 492
- of rectum, use of Lloyd-Davies stirrups in (technical notes), 627

Antibiotics, intraincisional, in laparotomy wounds, 172

Antibodies, radiolabeled, for detection of CEA-producing tumors, 279

Antigen, carcinoembryonic. See Carcinoembryonic antigen

Anti-inflammatory drugs, nonsteroidal, in colonic anastomotic healing, 723

Anus

- acquired incontinence of, overlapping sphincteroplasty for, 720
- and anorectal motility after surgery for spina bifida, 159
- carcinoma *in situ* of, in homosexual men, 325
- ectropion of, triangular island skin flap for treatment of, 33
- erotic instrumentation of, 331
- fissure of, chronic, surgical treatment of, 475
- fiatula of, extra sphincteric, Seton in treatment of, 109
- glands of, *Enterobius vermicularis* infestation of, 677

Aortic stenosis, calcific, and lower gastrointestinal bleeding, 38

Aortoenteric fistula, diagnosis and management of, 196

Appendicitis, acute, ileocolic intussusception following, 265

Appendix

- intussusception of, 387
- metastatic carcinoid tumor of, 42
- sigmoidoappendiceal fistula, as complication of diverticulitis, 618

Arteriovenous malformations, and lower gastrointestinal bleeding, 38

Artery, superior mesenteric, in pouch pull-through procedure, 741

Audiovisual presentations, essentials of (special article), 55

Author replies to letter

- collagenous colitis, 761
- colonic lesion identification, 693
- Duhamel operation using EEA stapler, 638
- low rectal anastomotic leakage, 760

Autoamputation, adult intussusception with, and preservation of bowel continuity, 654

B

Bile acids, enterohepatic circulation of, in cholelithiasis in ileostomy patients, 585

BioBrane®, in management of colostomy perforation, 651

Biofeedback, conditioning, relaxation, as treatment of disturbed defecation reflex, 187

Biomedical research, anorectal and colonic, National Institutes of Health Grant for, 333

Biopsy, suction, rectal, in Hirschsprung's disease, 319

Bleeding

- gastrointestinal
 - in aortoenteric fistula, 196
 - lower, ^{99m}Tc-labeled RBC scan in diagnosis of, 47
 - obscure, and calcific aortic stenosis, 38
- bleeding scan, ^{99m}Tc-labeled, in lower gastrointestinal bleeding, 47
- Blood supply, poor, leakage of low rectal anastomosis in, 157
- Bone scan, in management of colon and rectal cancer, 811

Osteomas, mandibular, in familial polyposis coli, 105
Overlapping sphincteroplasty, for acquired anal incontinence, 720

P

- Pain relief, postoperative, in hemorrhoidectomy, epidural morphine for, 529
Papillomavirus, human, in homosexual men, 325
Paraleostomy hernia, repair of, with polypropylene mesh reinforcement (technical notes), 268
Paralysis, intestinal, postoperative, ceruletide vs. metoclopramide in, 288
Passive drain, rubber dam as, to isolate contaminated peritoneal defects, 703
Pathology of the Colon, Small Intestine, and Anus, Norris, H.T., ed. (book review), 563
Pelvic floor, spastic, defecography in diagnosis of, 658
Pelvic neoplasms, surgery of, mesenteric hammock for retaining small intestine after (technical notes), 415
Pelvic reservoir, and transmucosal myotomy of small bowel after ileoanal anastomosis, 316
Perforation(s)
colorectal, in carcinoma, survival in, 299
colostomy, subcutaneous, management of, 651
intraoperative, inadvertent, effect of, on survival and recurrence in colorectal cancer, 792
sigmoid diverticulitis, Hartmann resection for, 253
traumatic sigmoid colon, self-inflicted, 199
Perianal abscess, due to *Enterobius vermicularis*, 677
Perineal excision, cancer of rectum treated by (classic article), 208
Perineal lesion, in multiple myeloma, 479
Perineal proctosigmoidectomy, in elderly and debilitated patients, 376

- Perineal wound healing
 after intersphincteric excision of rectum for inflammatory bowel disease, 244
 primary closure and pelvic irrigation in, after rectal excision, 526
 Perineo-abdominal excision of rectum in one stage (classic article), 336
 Peritoneal defect, contaminated, after colonic resection, rubber to isolate, 703
 Peritonitis, acute lower left quadrant, water-soluble contrast enemas in diagnosis of, 84
 Perry Model #51, in paraileostomy ulcers in patients with Crohn's disease, 779
 Phantom sensations, after excision of rectum, 777
 Physician reimbursement system, alternative, ACS-ACP effort to develop (announcement), 614
 Pilonidal disease, multiple recurrences, gluteus maximus myocutaneous flap for treatment of, 262
 Pilonidal sinus(es), circumferential perianal, 120
 Plasma cells, infiltration by, in multiple myeloma, 479
 Plastic wound drape, to prevent infection in colorectal surgery, 451
 Pneumatic injury, of colon, during colonoscopy, 751
 Pneumatosis coli
 coexistent carcinoma of colon, 257
 during colonoscopy, 751
 Polyposis coli, familial, risk of rectal cancer after colectomy and ileorectal anastomosis in, 726
 Pneumoperitoneum, causes of, in giant colonic diverticulum, 545
 Polyp(s), containing malignancy, removed by colonoscopic polypectomy, management in, 6
 Polypectomy, colonoscopic, polyps containing malignancy removed by, management in, 6
 Polyposis coli
 familial
 endorectal ileal pouch-anal anastomosis in, 347
 mandibular osteomas in, 105
 manual Danish register of, 351
 mesenteric desmoid tumor in, treated by sulindac, 53
 juvenile, with adenomatous changes and carcinoma *in situ*, 393
 Polyposis register, Danish, 351
 Polyvinyl alcohol sponge, in Ivalon rectopexy, management of pelvic sepsis after, 589
 Portal vein, infusion, cytotoxic, for colon cancer, 495
 Position available (announcement), 52, 133, 186
 Postgraduate course (letter to editor), 220
 Postoperative infection, prevention of, plastic wound ring drape in, 451
 Postoperative radiation, for rectal adenocarcinoma (current status), 826
 Postsacral tumor, and presacral extraspinal ependymoma, 114
 Potential, malignant, of colorectal adenomas, in English and Japanese patients, compared, 515
 Pouch, endorectal ileal-anal anastomosis, 347
 Prednisolone enemas, or low-dose oral, in acute distal ulcerative colitis, 701
 Preoperative radiation, for rectal adenocarcinoma (current status), 826
 Presacral space, contaminated peritoneal defects in, rubber dam to isolate, 703
 Presacral tumor, and postsacral extraspinal ependymoma, 114
 Presidential address, colon and rectal surgery, 1984 and beyond, 643
 Prevention and Detection of Cancer, symposium on (announcement), 198, 259, 657
Principles of Ostomy Care, Broadwell, D.C. and Jackson, B.S. (book review), 149
 Procidencia
 in identical twins, 608
 rectal, in elderly and debilitated patients, 376
 Proctectomy, mucosal
 superior mesenteric artery and, 741
 phantoms sensations after, 777
 Proctitis
 following fecal diversion, 605
 prednisolone enemas and low-dose oral prednisolone in, compared, 701
 cystica profunda, 153
 Proctology, Latin American Congress of, ninth (announcement), 525, 612, 657
 Proctosigmoidectomy, perineal, in elderly and debilitated patients, 376
 Progesterone receptors, and distribution of IR-carcinoembryonic antigen in colonic cancer, 787
 Progesterin receptors, in colonic cancer? 591
 Prognosis, in rectal carcinoma, significance of DNA distribution pattern in, 579
 Prolapse
 rectal
 complete, Wells procedure for, 96
 in elderly and debilitated patients, 376
 in identical twins, 608
 internal intussusception as precursor of, 435
 management of pelvic sepsis after, 589
 manometric studies in, 523
 Orr-Loygue procedure for, 356
 practical observations on (classic article), 73, 138
 proctitis cystica profunda in, 153
 Prophylaxis, postoperative sepsis in colorectal surgery, 519
 Prostaglandin synthesis inhibitors, influence of, on DMH-induced rat colon cancer, 366
 Prostaglandins
 in colonic anastomotic healing, 723
 inhibitors, influence of, on DMH-induced rat colon cancer, 366
 Pseudomalignancy, of colon, 485
 Pseudopolyps, giant, in granulomatous colitis, 621
 Pudendal nerve terminal motor latency, and failed postanal repair for anorectal incontinence, 733
 Pyelogram, intravenous, in management of colon and rectal cancer, 811
